BIG BLAZE AT BUTTE.

That Montana City Is Visited by a Disastrous Fire.

MILLION DOLLAR LOSS

Originated In a Mammoth Dry Goods Establishment and Before It Was Stopped Five Blocks Had Been Consumed.

Butte, Mont., Sept. 25.—Fire causing a loss estimated at \$1,000,000 Sunday consumed the entire business portion of Butte lying between the Rhodart block and Renshaw alley on the south side of West Park street, and partially destroyed the public library. The fire call was turned in at 8:40 o'clock. At noon the four-story Symons store was a mass of flames and the public library and other places were burning simultaneously. At 1 o'clock Mayor MacGinnis announced the fire under control. Had the blaze once crossed Main street into the old buildings on the north side of Park street, or had it not been checked at the Renshaw block the loss would have been much greater.

A cigar company occupied part of the ground floor and basement of the Symons Dry Goods company's building. At once the firemen realized that to keep the fire confined to the basement and away from the elevator shaft was the only hope of saving the block. The men could not enter the seat of flames, but several went through the rear sidewalk windows and held the hose as close as they could to the origin of the fire. Finally, with a favorable change in the wind which kept the smoke back temporarily, the firemen broke in three doors on the ground floor and poured the water in the direction of the elevator shaft. A perfect geyser of sparks and burning shingles spouted across the roofs of other buildings, starting the flames in the Renshaw hall and in the Park building. From 11 o'clock until noon the Symons building burned free as a bonfire and the firemen confined their labors to saving adjacent property.

The Miner, Broadway, Argyle and other buildings were licked by the flames, but good work on the part of the owners and the firemen prevented what seemed for a time a general conflagration.

Fifty Thousand Dollar Fire.

Evansville, Ind., Sept. 25.—Fire destroyed the Fittwell clothing store, and damaged the Novelty department store and their carpet store of W. Elmendorf. Loss is estimated at \$50,000.

EXPLODED IN CAR.

Four Men Were Killed, Including the Thrower of the Bomb.

Pekin, Sept. 25.—At the Pekin railway station as a train carrying one of the four missions organized abroad to study foreign political methods was leaving, a bomb was exploded inside a private car, killing four minor officials and wounding over twenty others.

The victims include Tsai Tche, who heads the most important of the missions and Wu Tung Fung, former minister to the United States, both of whom received slight injuries. The perpetrator of the outrage, who was in the rear car, was blown to pieces.

The affair has created a profound sensation and causes apprehension regarding the safety of members of the court and leading officials of the government. The government offices and the railways are now strongly guarded. The edict appointing the missions mentioned in the foregoing dispatch was issued July 26. A dispatch from Pekin Aug. 29 said that the missions were appointed to study foreign systems of government because the danger of revolution was intended to issue a decree at the new year for the establishment of a parliament twelve years hence.

ELEVEN FIDDLERS.

Bailey, "the Best Banjo Picker Who Ever Struck the Stage."

Cooper, Tex., Sept. 25.—An old fiddlers' contest was held in the opera house. There were eleven entries. W. H. Petty of Gough was awarded the first prize as the best fiddler on old-fashioned break-down music. Amos Smith of Detroit was awarded a prize for the best rendition of the "Arkansas Traveler," and Captain Ross of Ben Franklin won a prize for his rendition of "Walk, Jawbone, Jennie Come Along." J. H. Bailey of Detroit was voted the "best banjo picker who ever struck the stage."

Much Black Jaundice.

Cameron, Tex., Sept. 25.—There is a great deal of black jaundice in the county and in many instances it has been fatal. It is something unusual for many people to be affected with this disease in this county, but this summer has proved the exception and considerable complaint is made from that disease.

Frightfully Mangled.

Navasota, Tex., Sept. 25.—In attempting to cross the main track of the Houston and Texas Central little Henry Gooch was struck by a freight engine and frightfully mangled. His right leg was mashed off below the knee and the right arm at the elbow.

Controller Explodes.

Dallas, Sept. 25.—A controller on a Southern Bell car exploded and set fire to the front end of the car. Two passengers jumped off and were slightly injured. The blaze drove the motor-man off, but the flames were soon extinguished.

Run Over by a Freight Train.

Oklahoma City, Sept. 25.—The mangled remains of a man supposed to be P. H. Blanchard, a switchman, was found in the Chicago, Rock Island and Pacific yards, where he had been run over by a freight train.
